

Camp Info

At The Edge Summer Camp, children ages 4 through 12 will receive professional instruction in Gymnastics.

Our Gymnastics Camp will include activities such as vault, bars, rings, trampolines, tumble trak, gym dance, gym cheer, tumbling, beam, floor, calisthenics, pommel horse, parachute, games, pit games, and coloring.

Our Staff

Our staff is full of trained professionals with the goal of teaching your child with expertise in a safe & fun environment.

Mary Casale & Tara Polizzi - Owners with Bachelors in Psychology. Both have taught in Tottenville High School and currently coach the Tottenville girls gymnastics team. Certifications: Safety & Professional Members of USA Gymnastics, First Aid & CPR.

We staff our camp with outstanding people who are dedicated to working with children. Our camp directors see the day to day operations and create an atmosphere of family, spirit and excitement.

Most of our camp counselors were gymnasts themselves & have been trained to coach gymnastics of all levels. They are all experienced and knowledgeable in all our The Edge programs. We believe being a camp counselor is one of the most important and rewarding jobs. All gymnastic coaches are safety certified with USA Gymnastics. All staff working with campers are certified in First Aid, CPR, and Concussion Awareness & Prevention. They are experienced in all camp activities and enjoy working with children.

Benefits of Gymnastics

Each time having your child walk into Athletic Edge sports Center, they develop key emotional intelligence skills, which they benefit far beyond their time here as a gymnast.

CONFIDENCE -

From encouraging a teammate / classmate, learning a new skill or even participating in competitions and/or gym shows, your child's confidence in the ability to achieve both in and out of the gym will increase!

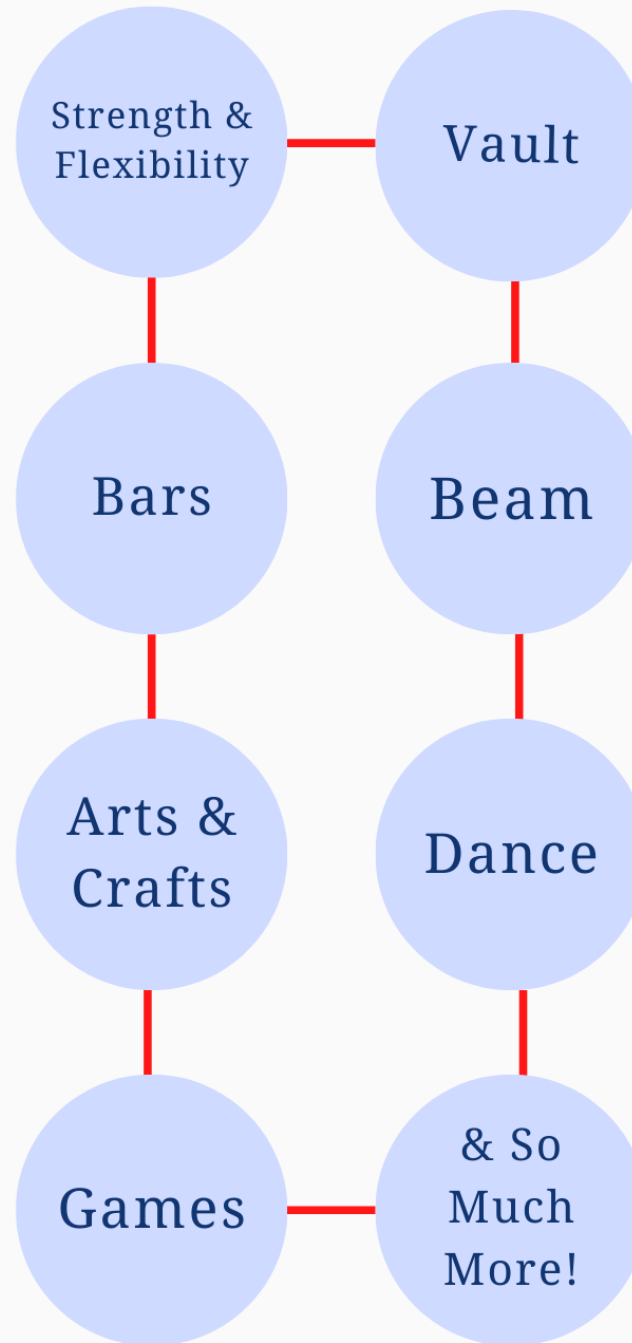

DEDICATION -

Skills that will help your child in many areas of life, even in the classroom master the fundamentals of gymnastics, discipline and dedication!

RESILIENCE -

Your child will learn how to overcome challenges at a young age in a fun and safe environment through learning how to fall and get back up and try again!
